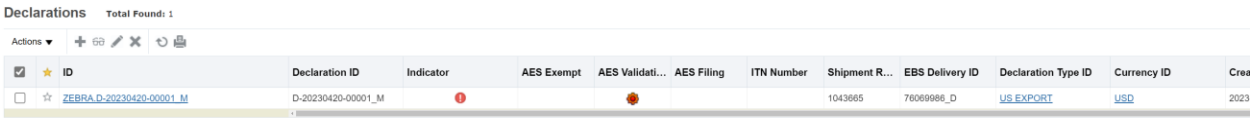
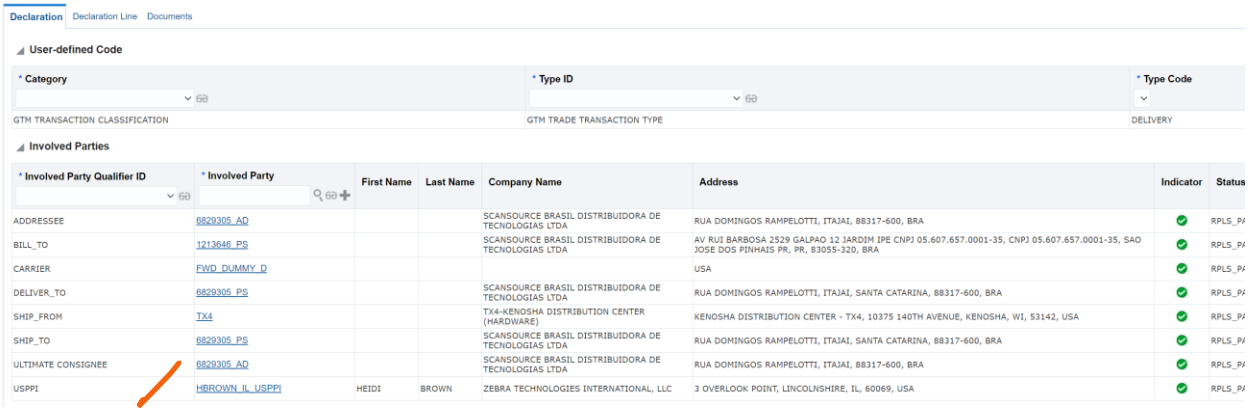
CONFIDENTIAL INFORMATION

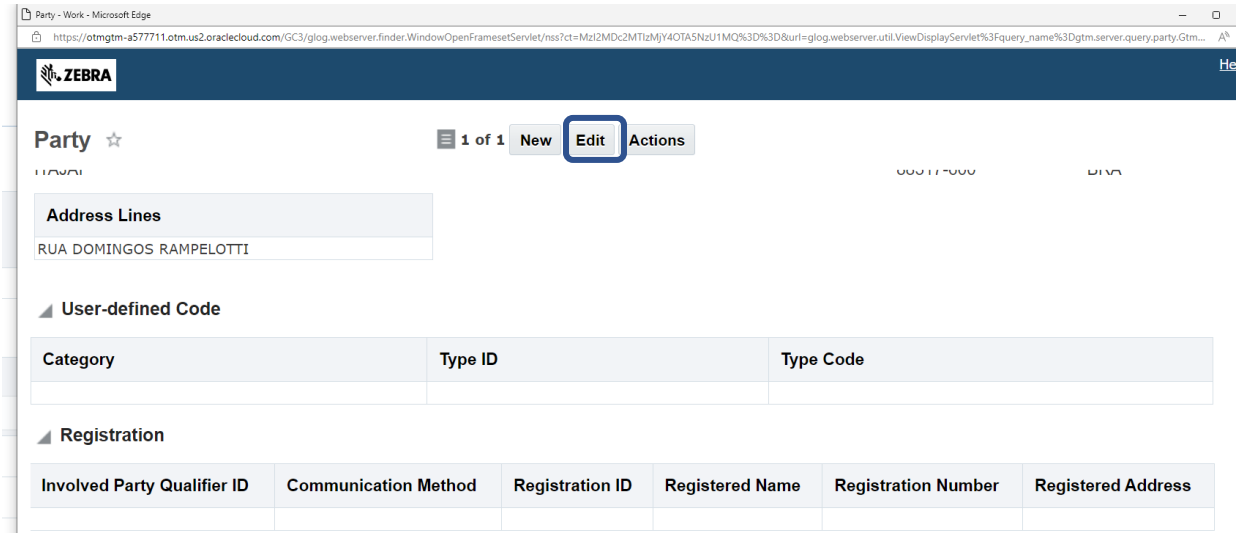
76069986



1. Scroll down to the Involved Parties section 2.
2. Click on the Ultimate Consignee ID link

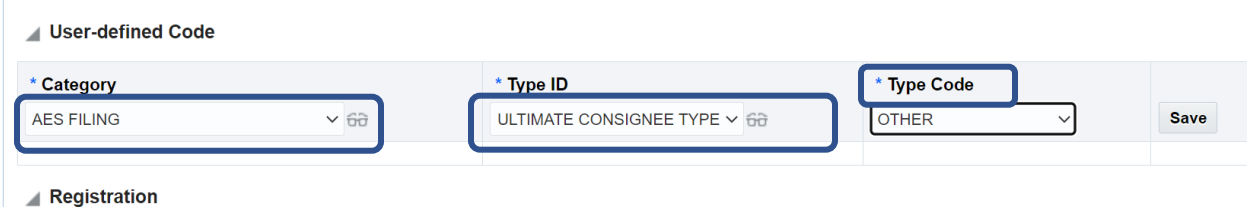


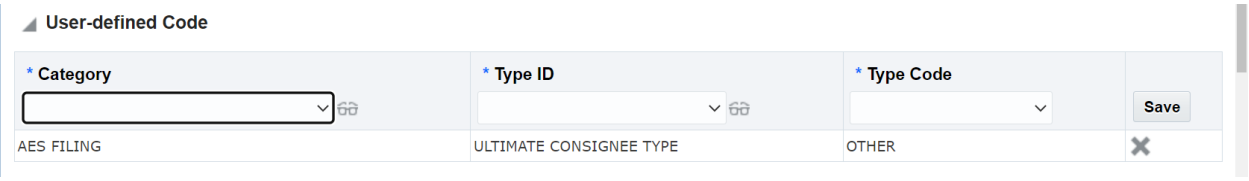
3. At this screen click Edit to activate the User-defined Code fields

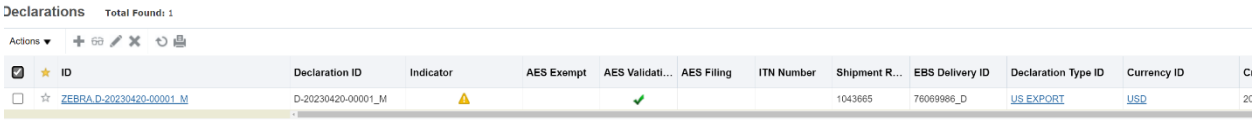


Complete the fields as below.

4. Under Type Code choose the type that applies to the party and if unsure you can choose “other”
5. Click Save
6. Finished
7. X to close this screen
8. Finished
9. Run AES Validations







If you see a green checkmark, your shipment is ready to file.
If there is a red star, your shipment is not ready to file, and you need to contact GTCO.
Response time from GTCO for AES issues is within 2 hours.
