1. OVERVIEW

The following procedure assumes that there is no sticker on the analyzer indicating that Zebra Cap Test.cpg has been installed. This procedure takes this opportunity to install this file and ensure that BatteryShop is properly configured.

2. ZEBRACAP TEST (APPENDIX A2)

1. BatteryShop must be installed before ZebraCap Test. If BatteryShop is already installed follow the steps below for ZebraCap Test.
2. Using Notepad or a simple text editor (not Word), create a text file named ZebraCapTest.cpg with the following content and store it on the PC:

```
