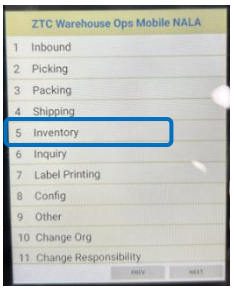
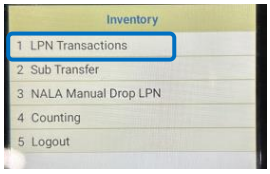
CASE COUNT

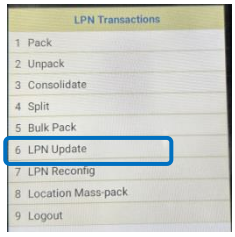
How to enter the case count for an LPN, using the Mobile RF gun.



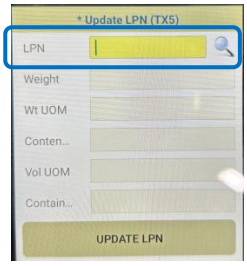
Step 1: Using the RF Gun proceed to **(ZTC Warehouse Ops Mobile Nala) >** Select option 5. Inventory.



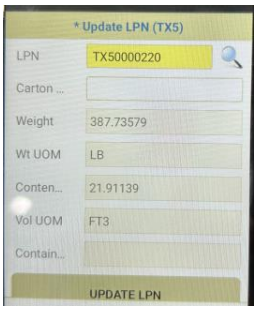
Step 2: In Inventory, select option 1. LPN Transactions



Step 3: In the LPN Transactions screen, select option 6. LPN Update



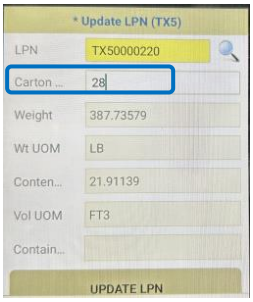
LPN details auto-populate.



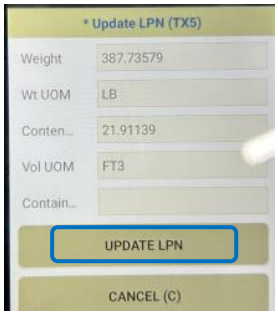
Step 4: In the LPN update screen, scan the LPN.

If the LPN information does not display, ensure you are in the correct Org.

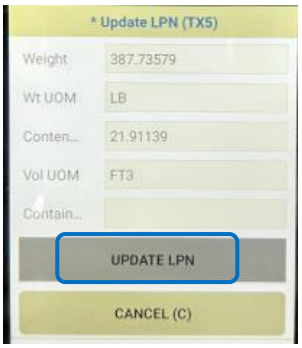
Step 5: Enter the case count.

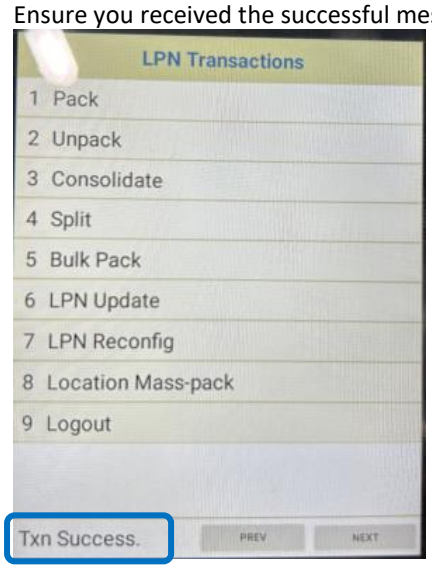


Step 6: Click on UPDATE LPN



Step 7: When the UPDATE LPN tab is Gray, click again.





Ensure you received the successful message.
